Dear Mr. Blake:

Thank you very much for your kindness in sending me a copy of the "International Review" of January. I have read with extreme interest the article on Spain, and I hope you continue to put out articles similar to that an other places. It was most interesting, and it seems to me that it should have even a wider cistribution.

Thanks again for your kindness and with best personal regards, believe me,

Sincerely,

Signed & dispatched 2/10/49
